# ABOUT US

Nobilis Premier is a Dubai-based contractor specializing in premium design, construction, and fit-out solutions for villa renovations and upgrades. We transform ideas into exceptional residential spaces. With European supervision on site and European standards, we deliver true finishing quality and high-end craftsmanship. One fully accountable partner manages the entire project. Nobilis Premier provides structured project reporting to ensure schedule, budget, and specifications remain fully under control.

# OUR VISION

Nobilis Premier wants to be a trusted provider of craftsmanship services of high quality in the UAE for villa owners in Dubai and Abu Dhabi who want to renovate or upgrade their home and who value true quality, timely delivery and European supervision.

# OUR MISSION

To achieve our goal, Nobilis premier establishes long-term relationships with our clients by exceeding their expectation in terms of timely delivery, meeting the requirements, high-quality finishing, cost effective solutions and value added services.

# OUR TEAM

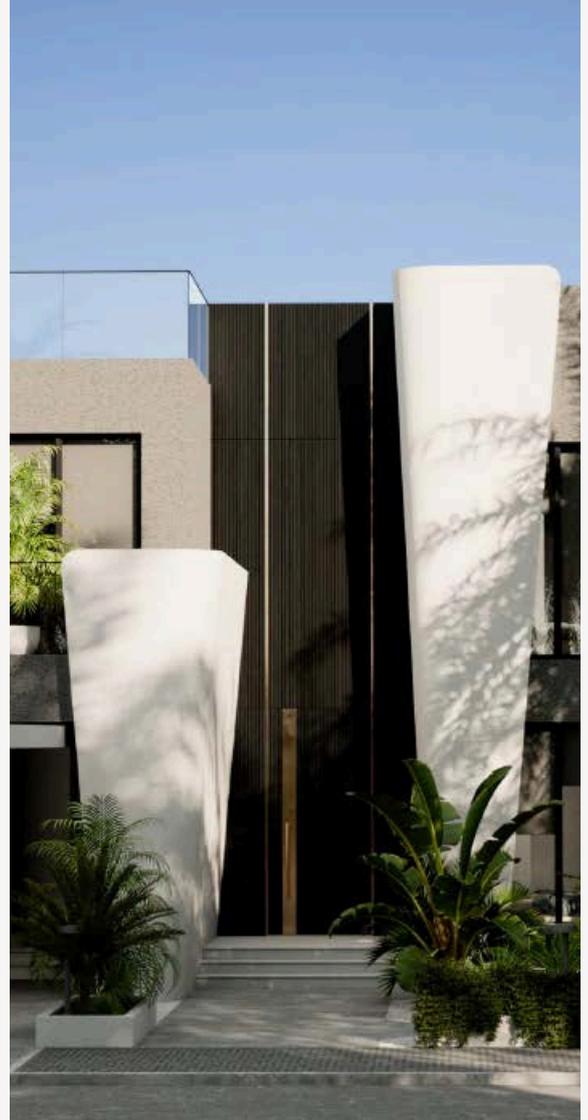

OWNER & CEO  
DRIES BOGAERT

CO OWNER & COO  
GLENN DE BLEECKER

Our team is guided by strong core values and a focus on long-term client relationships. We prioritize safety while maintaining the highest standards of quality and professionalism.

Nobilis Premier works with an extensive network of skilled professionals, with over 2,000 specialists engaged across our projects to deliver reliable, high-quality results.

# OUR VALUES

At Nobilis Premier, we care about our people and we ensure a safe, fair, unbiassed work environment for our employees.

We genuinely want what is best for the client. We treat their home as it were ours.

# OUR SERVICES

At Nobilis Premier, we offer a comprehensive range of services for clients across the construction industry, including design, construction, and premium fit-out solutions. Our core strength lies in delivering exceptional craftsmanship, specializing in high-quality fit-out services for residential spaces, including home cinemas, gym, home office, cigar lounge, etc.

# RESIDENTIAL

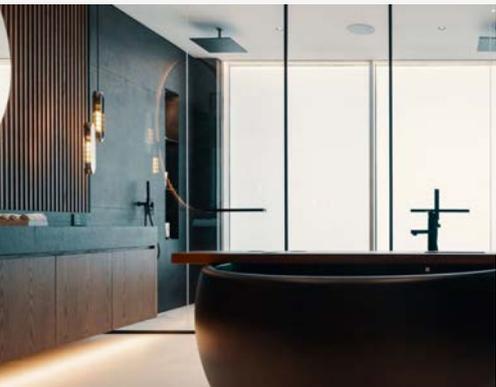

Whether it's a renovation or an upgrade, Nobilis Premier provides comprehensive 'Design & Build' services, helping clients to realize their dream homes. Nobilis Premier covers the entire process from conceptual design to detailed execution.

Benefits of working with an experienced team of Nobilis Premier:

- Collaborative design process, with valuable input from our people
- Effective budget management and accurate estimates
- Single point of contact throughout the project

Nobilis Premier works with the finest materials to ensure long-term client satisfaction. We work with suppliers from Europe to guarantee high quality experience.

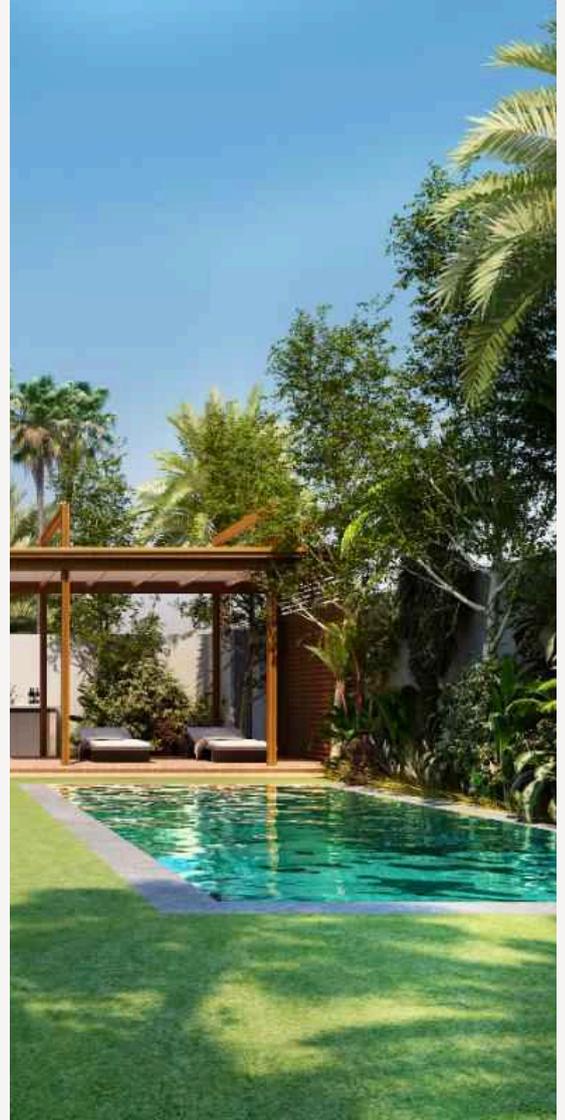

# POOLS & LANDSCAPING

At Nobilis Premier, we extend our commitment to craftsmanship into the creation of bespoke swimming pools and luxury landscaping. Every pool is engineered and finished to the same exacting standards that define our villa works:

- Premium materials
- Flawless detailing
- Meticulous and timely execution

From intricate tile finishes to advanced filtration, dosing, and lighting systems, our team ensures a seamless blend of beauty, performance, and durability. Our landscaping complements this approach by shaping outdoor spaces into refined, functional environments.

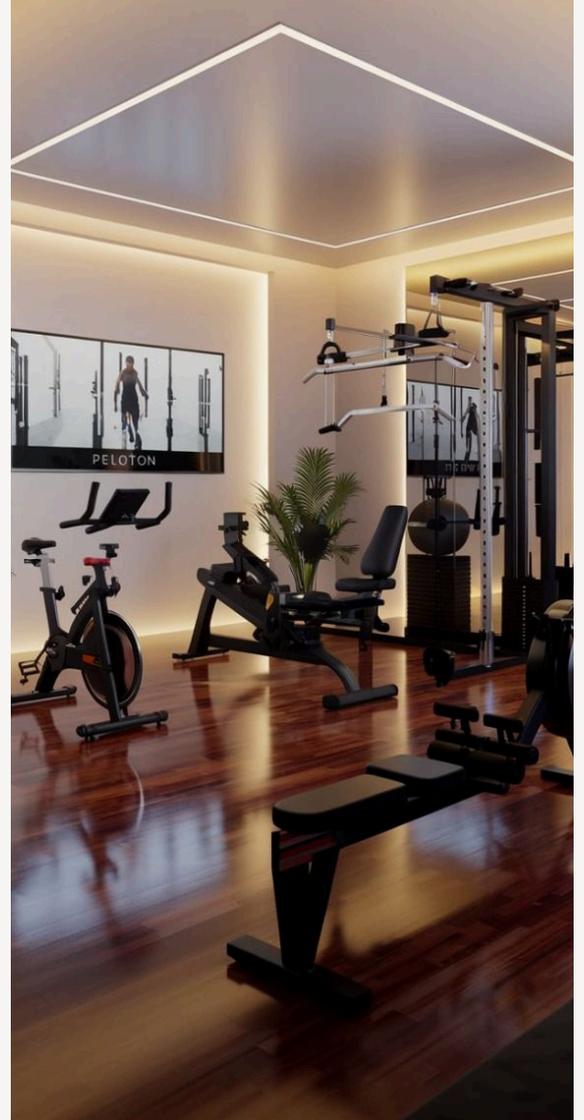

# AMENITIES

Nobilis Premier understands the expectations of discerning homeowners. A luxury villa should offer more than beautiful rooms. Nobilis Premier assists clients by delivering fully integrated bespoke lifestyle spaces within the home, including:

- Private Office
- Home Cinema
- Personal Gym
- Cigar Lounge
- Wellness Spa

Our services include complete fit-out works, MEP integration, custom joinery, finishes, and final decoration to ensure each space performs as beautifully as it looks.

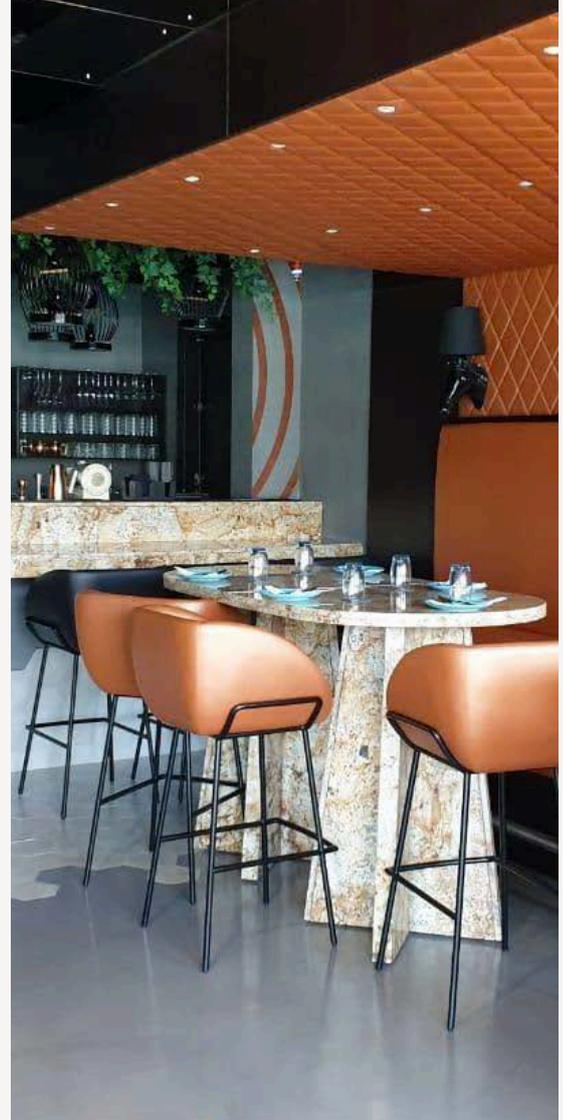

# COMMERCIAL

Nobilis Premier understands the needs of the entrepreneurs. The commercial space needs to be optimally used to get the maximum return on the investment. Nobilis Premier assists clients in achieving this by providing the following services:

- Iterative design proposals
- Space planning
- Regulatory approvals
- Budgeting
- Value engineering

The team of Nobilis Premier has a vast experience in renovation and fit-out solutions for corporate offices, banks, schools, hospitality and F&B businesses. Our services include: flooring, ceilings, windows, doors, MEP works, furniture and final decoration.
